

School Uniform Policy

We care about our students and their image in the community. One of the many aspects of Jamison High School that is respected by our local community is that our students wear their school uniform with pride. This has benefitted our students for many years as numerous employers are willing to offer our students apprenticeships, cadetships, part and full time employment as they present well in their school uniform in and around the local area. Jamison High has a strict uniform policy and therefore a NEAT and TIDY appearance at all times is essential.
