The purpose of this program is to encourage students to participate in sport and physical activity that lead to a healthy lifestyle and improve their capabilities in Football. Physical activity is valued for its physical, social and emotional benefit. It also helps young people to develop communication skills, confidence and resilience.

If you would like to discuss any aspect of the program, please contact Mrs Bryant or Mr Gillett who would be pleased to talk further with you.

Yours Sincerely

Mrs Bryant  
Head Teacher PDHPE
